## **Welcome Note**

---

It is a great pleasure for us to invite you all to participate in the Annual International Conference on Materials Science and Nanoscience (AICMSN2025), which will be held in Rome, Italy during March 13-15, 2025.

The objective of AICMSN2025 is to provide a unique forum for discussion of the latest developments, refresh your knowledge and will offer plenty of networking opportunities, providing you a chance to meet and interact with leading researchers as well as most influential minds in the field of materials science.

The AICMSN2025 will showcase cutting-edge research, breakthrough technologies, and creative ideas that have the potential to shape the future of our materials research. Through a series of thought-provoking plenary and keynote speeches, and interactive thematic sessions, we will explore the latest advancements in development of new materials.

As a distinguished professional in your field, your expertise and insights would be invaluable in enriching the dialogue at our summit. Your presence will not only contribute to the success of the event but also provide a unique platform for networking with fellow experts, industry leaders, and policymakers from around the globe.

We look forward to your valued presence at AICMSN2025 in Rome, Italy.

Sincerely,  
Organizing Committee, AICMSN2025
